Dear Parent/Guardian:

Woodlawn Middle School's 1st Marking Period Interim Parent-Teacher Conference Night will be held on **Wednesday, October 21st from 4:00 p.m. – 6:00 p.m.** Faculty members will be available for **ten-minute conferences** with parents **BY APPOINTMENT ONLY**. Faculty members from interdisciplinary, related arts will also be available for conferences at this time.

The purpose of these conferences is to provide you with an opportunity to discuss your child's academic progress. Usually, a ten-minute conference proves to be adequate. However, if you would like to schedule a conference of greater length, you may request an appointment through your child's school counselor or a grade level team leader.

Attached to this letter are all the Woodlawn Middle School faculty members, along with their email addresses. **If you are interested in scheduling a conference with your child's teacher(s), please email them directly with the following information; your name, your child's name, the best phone number to reach you, and the requested time between 4pm-6pm. Please note, if your requested time is not available, the teacher will give you the next available time.** Since we are virtual, all conferences will be held on Microsoft Teams as phone conferences, therefore, it is extremely important that you provide the teacher(s) with the best phone number to reach you. Once you email the teachers, they will email you back with the confirmation and time of your conference.

Please be mindful that opportunities for dialogue are not limited to conference nights. Our faculty strives to keep you informed of your child's progress on a regular basis through BCPSOne, telephone calls, e-mail messages, and notes. Please feel free to call or email members of our faculty and staff should you have any questions or concerns about your child's progress.

Sincerely,

Rochelle Archelus
