

After School Clubs

Woodlawn Middle School offers a variety of activities throughout the year. We encourage all students to enrich their middle school experience by participating in extracurricular activities.

The aim of our after school program is to provide school-related, age appropriate activities as an extension of the curricular program. We believe there are valuable lessons to be learned through fully supervised and well-organized competitive and non-competitive school activities. These activities extend classroom learning, help students build positive connections with peers, and form healthy relationships with adult role models who serve as sponsors and coaches.

CLUB	TEACHER	TIME
